

EUROGOAL 1500

SOCCER BALL SHOOTING MACHINE

GLOBUS EUROGOAL 1500 IS A PROFESSIONAL BALL SHOOTING TRAINING MACHINE WHICH ALLOWS TO PERFORM EXTREMELY REALISTIC CROSSES, SHOTS AND THROWS TYPICAL OF THE FOOTBALL GAME. THANKS TO ITS EXTREMELY HIGH POWER, THE MACHINE CAN PERFORM ALL POSSIBLE TRAJECTORIES WITH A BALL SPEED REACHING UP TO 140 KM/H. THANKS TO THE TRIAXIAL SYSTEM PATENTED BY GLOBUS, THE COACH CAN SET THE SHOT VERTICALLY (UPWARD AND DOWNWARD), HORIZONTALLY (RIGHT AND LEFT) AND INCLINE THE DEVICE OBLIQUELY TO INCREASE THE CURVE OF THE TRAJECTORY. GLOBUS EUROGOAL 1500 IS UNDOUBTEDLY THE IDEAL PARTNER FOR COACHES, PERFORMING HUNDREDS OF TRAINING SESSIONS AT HIGH SPEED AND WITH UTMOST PRECISION.

TECHNICAL SPECIFICATIONS

Dimensions (WxDxH)

115x70x60 cm

Weight

100 Kg

Spinning wheels

2, antiwear supergrip rubber

Maximum throwing height

35 m

Lateral head movement

+30°/-30°

Vertical inclination

+40°/-5°

Throwing distance

100 m

Throwing speed

From 10 to 140 Km/h

Power supply

Long-lasting double battery pack (5 actual hours or 1500 throws) with the included charger

Batteries

2 batteries, 12V - 55Ah

Throwing effects

Floating - Magnus - Top Spin - Back Spin

Electric actuator for vertical elevation

Oblique inclination of the head

Side throw range lock

Control unit with 5 shooting memories

Electronic digital and simultaneous adjustment of the two wheels

STRONG POINTS

- Triaxial trajectory regulation - GLOBUS patent
- No ball damage on the throwing wheels - GLOBUS patent
- Powerful kicks and spin shots, both in swinging and out swinging, from the right and from the left
- Digital display
- Five memory buttons, to store different shooting speeds and spin settings
- Speed control system indicating when both wheels have reached the set speed (green light)
- TOP SPIN: super arc effect thanks to triaxial oblique movement
- Compatible with balls of different size
- Easy to move on the wheels
- Instructions for inserting the balls to repeat the shots as best as possible
- Recommended for professional and semi-professional teams
